

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

**Nirmal Sandhar, Environmental Scientist**

- Planning, Standards, and Implementation Division – SWRCB
- Item No. 12 on the Agenda
- Sheila Vassey from the Office of Chief Counsel
- Linda Pardy from the San Diego Regional Board

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- The Basin Plan Updates Chapters 2, 3, 4, 5 and Appendix A.
- Updates to the Beneficial Use (BU) Tables in Chapter 2
  - Adds water bodies unnamed or unidentified in 1994 and their BUs
- Updates definitions and program descriptions

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- 2004 Triennial Review of the Basin Plan

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Regulatory Changes
- Non-regulatory Changes

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Regulatory Changes
  - Naming and Assigning Beneficial Uses (BUs)

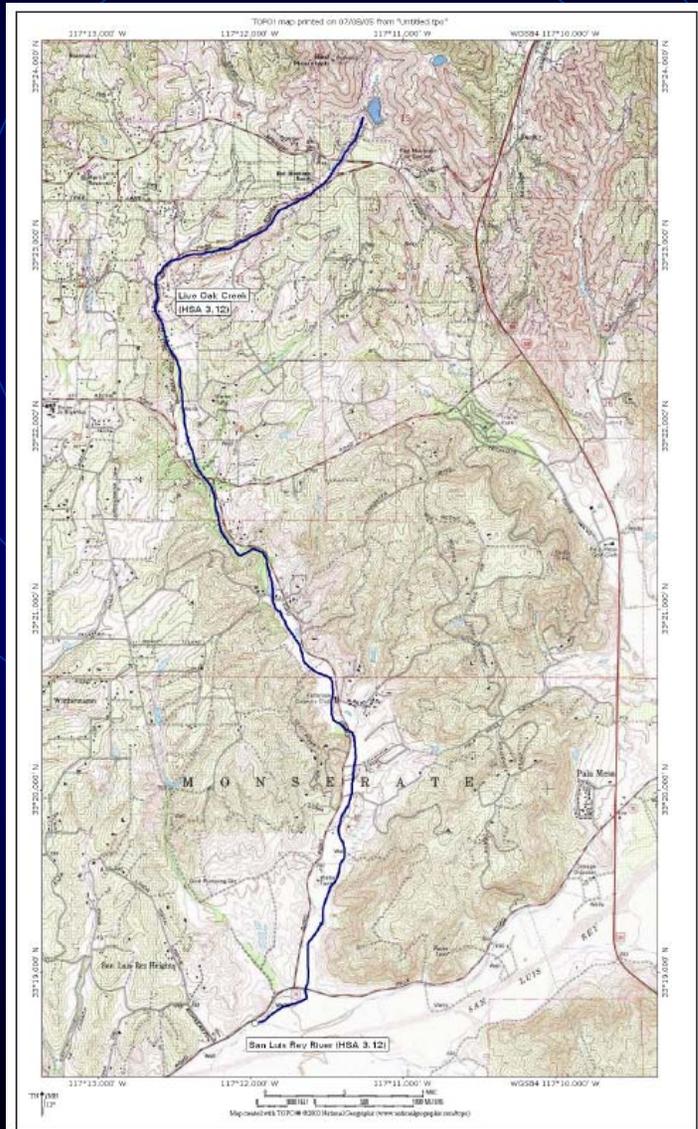

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- **Non-Regulatory Changes**
  - Adding the Definition of State Water Quality Protection Areas to the Areas of Special Biological Significance (ASBS)
  - Updating the ASBS water body list
  - Updating the list of designated Marine Life Refuges
  - Updating the list of Marine Protected Areas
  - Area designation of State Marine Reserves
  - Area designation for Wildlife Area
  - Updating the list for Natural Preserves
  - Updating the list of areas which are managed by the U.S. Fish and Wildlife Services

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Table 2-2, Beneficial Uses of Inland Surface Waters

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

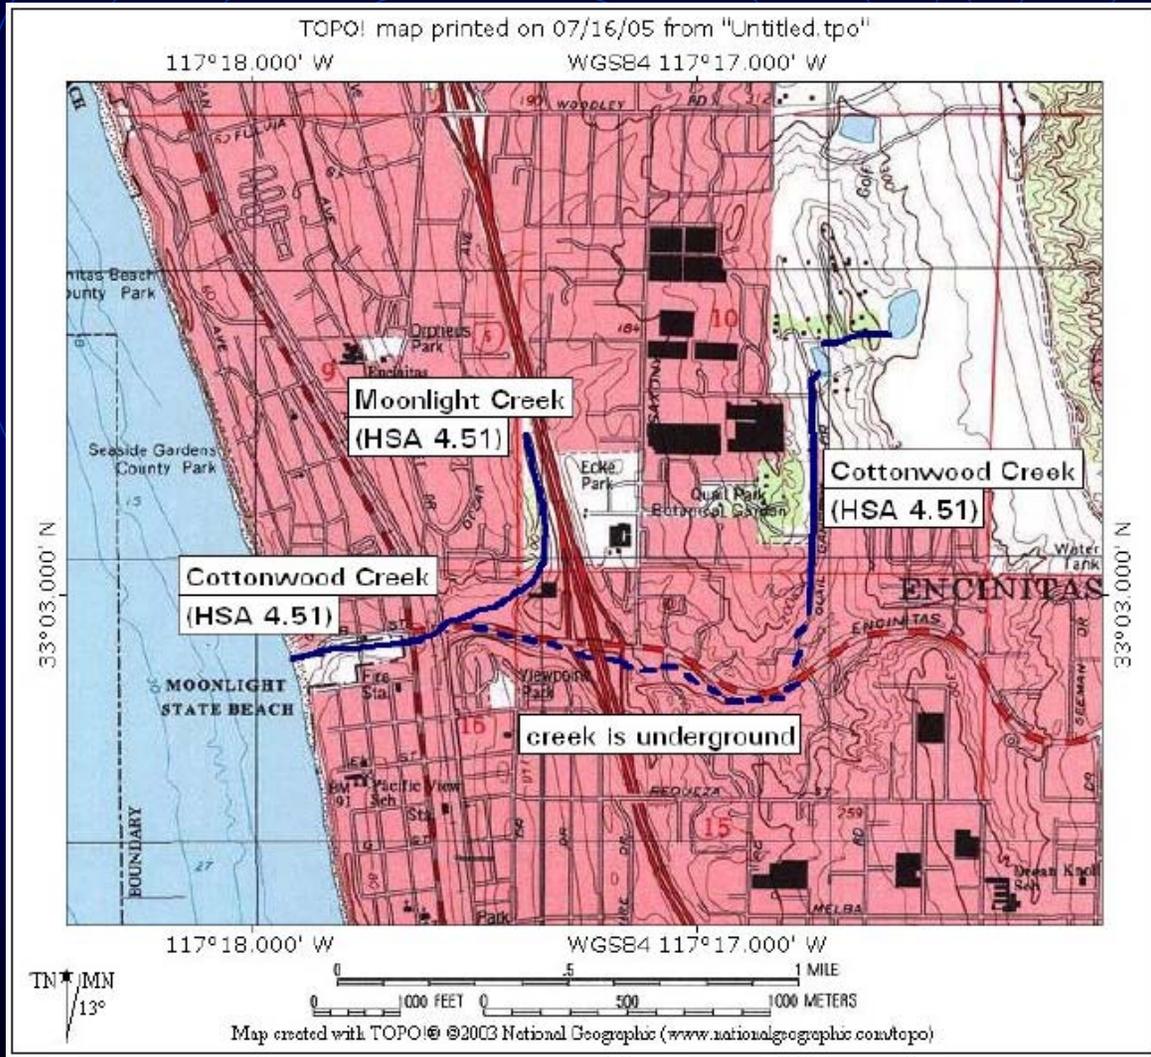

- Live Oak Creek (Hydrologic Sub Area (HSA) 3.12)

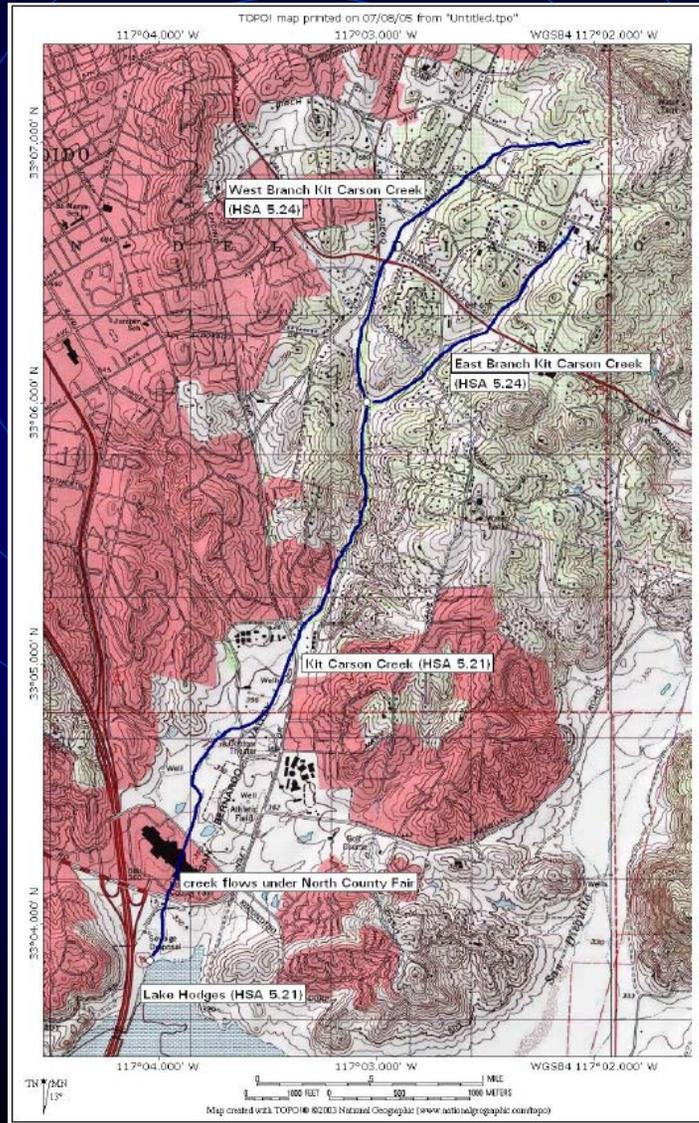

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Cottonwood Creek (HSA 4.51)

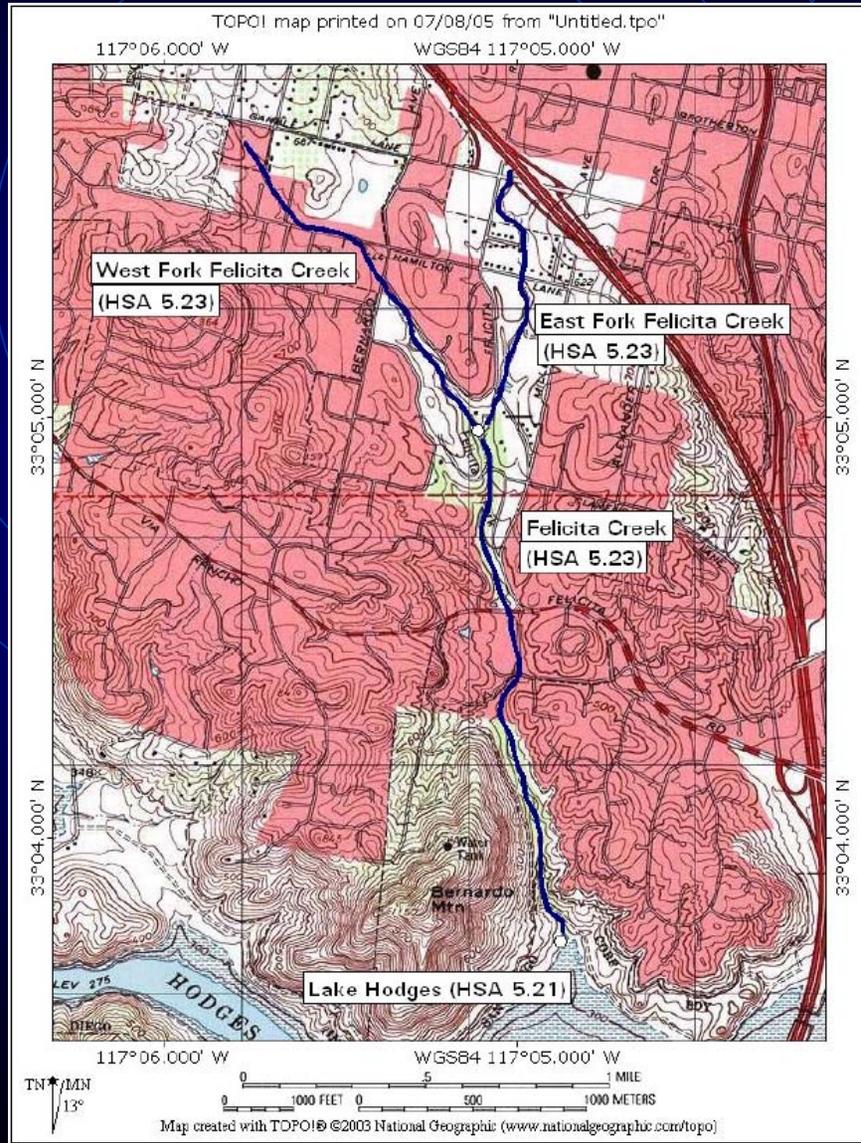

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

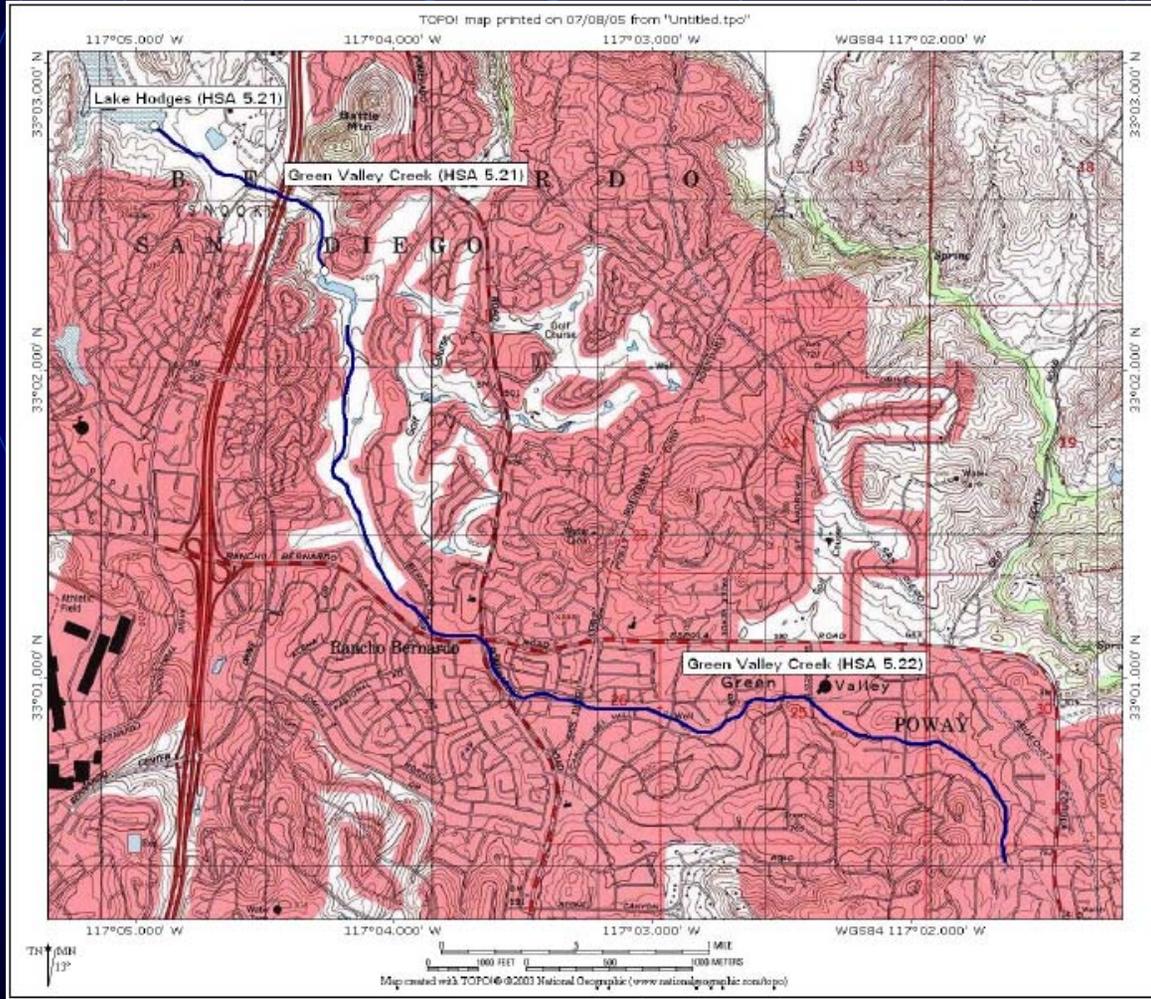

- Kit Carson Creek (HSA 5.21)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

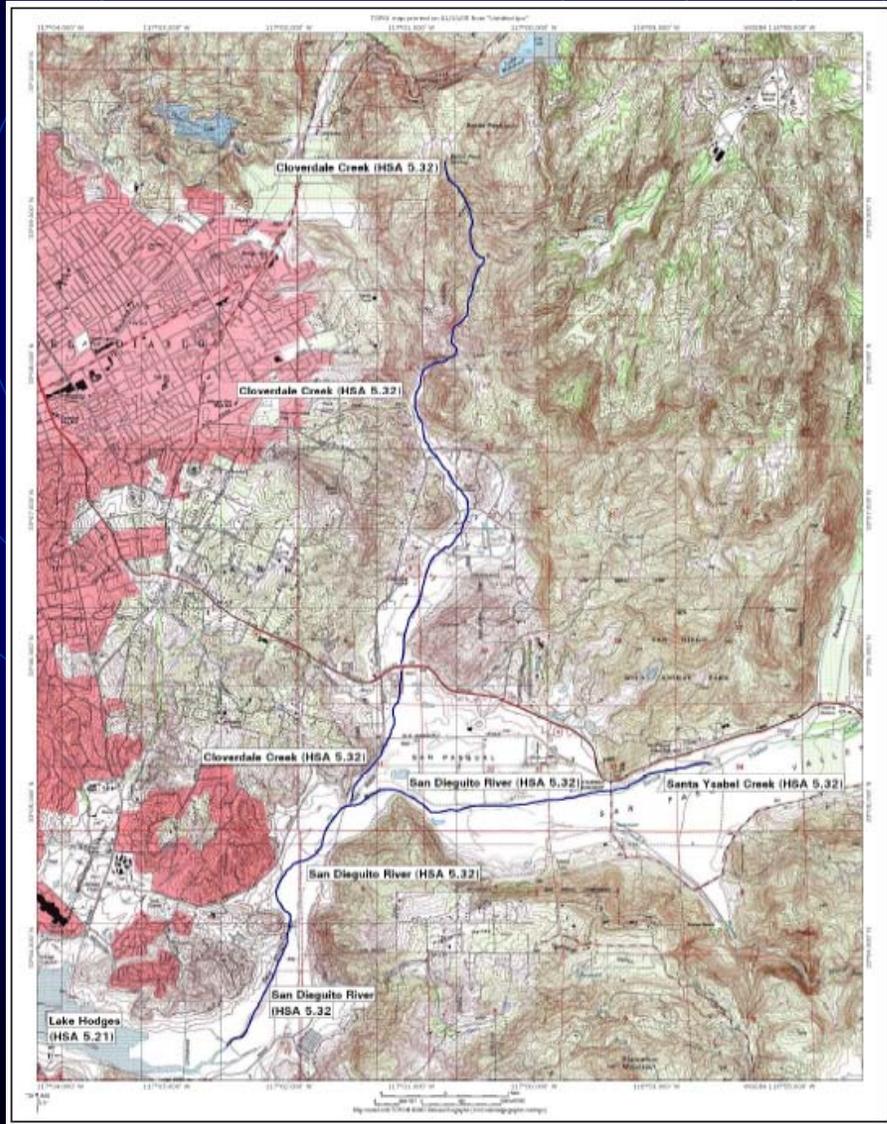

- Felicity Creek (HSA 5.23)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

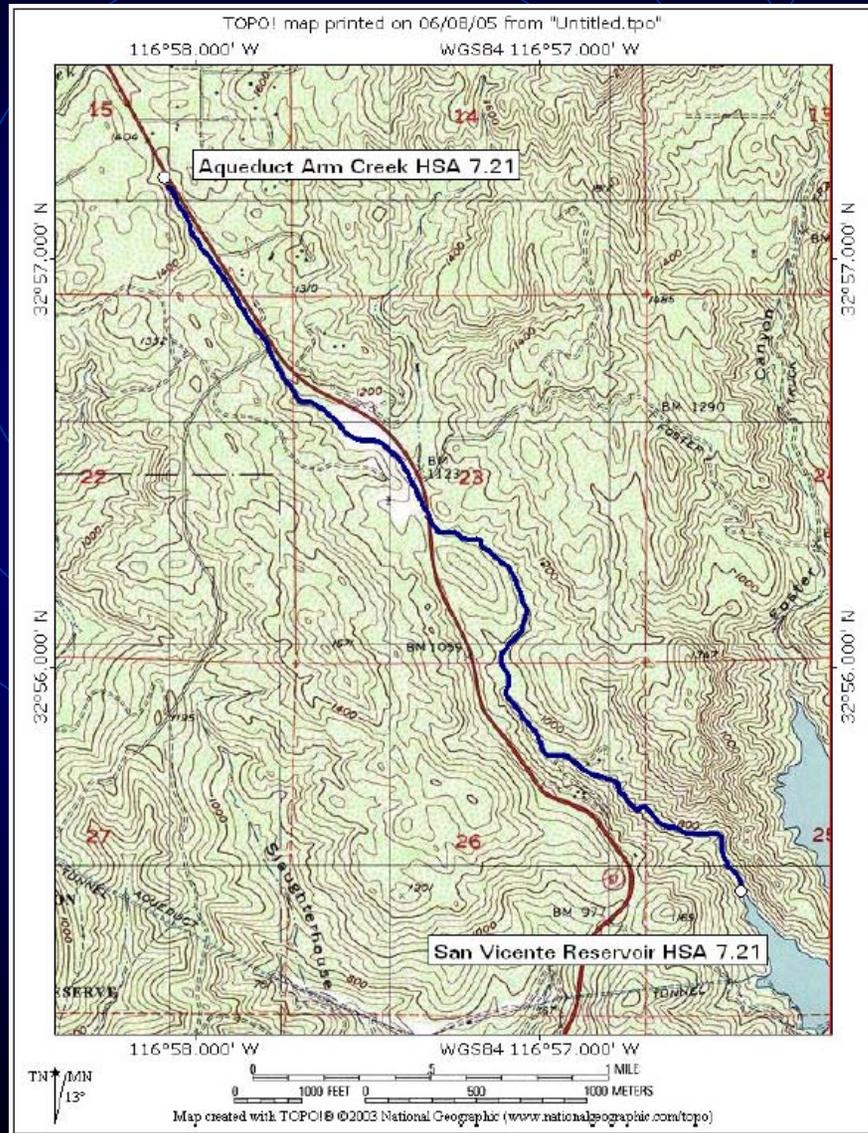

- Green Valley Creek (HSA 5.22)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Cloverdale Creek (HSA 5.32)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Aqueduct Arm Creek (HSA 7.21)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Table 2-2
  - Pueblo San Diego

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Preservation of Biological habitats of special significance (BIOL) beneficial use (BU)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- **BIOL BU was added to the following:**
  - Laguna Canyon (HSA 1.12)
  - Cole Canyon (HSA 2.32)
  - Plaisted Creek (HSA 3.22)
  - San Luis Rey River (HSA 3.12)
  - Pilgrim Creek (HSA 3.11)
  - Aqua Hedionda Creek (HSA 4.31)
  - Escondido Creek (HSA 4.61)
  - Santa Ysabel Creek (HSA 5.51)
  - Boden Canyon (HSA 5.51)
  - Clevenger Canyon (HSA 5.51)
  - Warren Canyon (HSA 5.21)

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Changes to:
  - Table 2-3
  - Table 2-4
  - Table 2-5
  - Table 3-5

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- No potentially significant environmental impacts or economic impacts.

# Addition of Unnamed or Unidentified Water Bodies to The Beneficial Use Tables

- Conclusion of Presentation
